

DRESS CODE

CLUBHOUSE - GUEST

A member is responsible for any damage or debt incurred by any guests he or she brings to the Club. A guest is governed by the same golf rules and attire standards which a Player is governed.

DRESS CODE

1. The Purpose of the Dress Code is to ensure that sensible, reasonable, and appropriate standards are maintained at all times on Club premises.
2. Golf attire should be neat, tailored, and consistent with the standards of the Club and tradition of the game of golf.
3. It is unfair to the Directors, Golf Committee, Club staff, Pro Shop and Watson and Colt course starters, to be forced to deal with infractions even though they are authorized to do so.
4. It is the responsibility of every player to ensure that their family members and guests comply with the Dress Code at all times. Please forward a copy of the Dress Code to your guest(s) prior to their arrival at the Club to help avoid any potential dress code issues.
