## PODS MINI CAMP BREAKDOWN

- Our Junior Pods program will run in small groups of 2 to 4 juniors each and be three days long, three hours each day. Three groups of four will run each day on a staggered start to help observe physical distancing on the practice facility.
- You will be required to organize your own Pod. Please be sure the members of your Pod are compatible and are all Junior Members. One Professional will work with each Pod.
- Each Junior in the Pod must be a Junior Member.
- There will be three Pods running during each week (Tuesday, Wednesday and Thursday- 9am-12pm, 10am-1pm, 1pm-4pm).
- Snacks and refreshments will be included in each session.
- An outline of the safety procedures will be provided to each family. All participants will be required to sign off on the safety protocols and complete a declaration prior to attending.
- The itinerary for the week will be built based on the Pod. It will be a combination of practice and fundamental work with some on course application on the Watson.
